

I am writing in reference to the LPFM service expansion. Many people in my area, including my family, listen to K-LOVE on the current FM translator service. This station offers many great services to our local area and is valuable to our family and friends as well. If K-LOVE were displaced by an LPFM broadcaster, all the people here that have supported K-LOVE financially and in other ways would be very disappointed. K-LOVE provides uplifting and positive programming, along with local announcements. There is nothing else like it, so we request that it not be replaced by an LPFM station. Thank you for your time.
